What do you think your group will want to do for the Spring Activity in May.....?

It might be a good time to start planning this.

Here are a few ideas:  
How about a walking field trip to visit the local fire department, post office library.....

OR. How about having an end of the year graduation party for your kids???

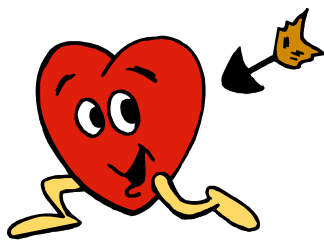

Another idea is to coordinate with the other Business/Organization Coordinators in your grade level and have a cooperative event.

Mary Hill from Rite Aid was thinking about possibly taking their kids on a field trip to OMSI so they can see the dinosaur exhibit to tie in with what their kids are studying in class.

Or you could have a classroom party to tie in with the school's Cinco De Mayo celebration.

Such as a field day!

Check with your teacher if you are interested in participating in a classroom party.*

## Let's Get Together . . . .

Wayne and I would personally like to thank all of you for your participation in Adopt A Class this year by **inviting you for coffee & pastries in June** - date & location will be sent to you via email in the next week or so.

This will be a great opportunity for all of the Business/Organization Coordinators to meet each other and to share their experiences with their kids at James John. We hope that all of you will be able to make it.
